Catechesis of the Good Shepherd

Level 1 Formation Course (ages 3 to 6)

In accordance with the
National Association of the
Catechesis of the Good Shepherd

Evansville, IN

About the course

Introduction

At baptism, every child receives the Life of the Risen Christ. From the earliest age, a child has a relationship with Jesus; the purpose of the Catechesis of the Good Shepherd is to nurture and facilitate that relationship. In an Atrium, catechists provide the materials, time and space for a child to encounter Jesus in the Bible and in the Eucharist.

For more information about the Catechesis of the Good Shepherd, please visit the web site: www.cgsusa.org or read The Religious Potential of the Child by Sofia Cavaletti.

Objectives

- To present the methodology and guiding principles of the Catechesis of the Good Shepherd for the 3-6 year old child.
- To explore the religious nature and most vital religious needs of the 3 to 6 year old child.
- To meditate on the Biblical and liturgical themes presented to the 3 to 6 year old child.
- To broaden your ability to observe and learn from the child, to listen to the Scriptures with the child, to deepen your own enjoyment of God.
- To offer guidelines and assistance in preparing the 3-6 Atrium environment and in making the catechist's album and catechetical materials.

Formation Director

Katie Field has been involved in Catechesis of the Good Shepherd since 2006 and has completed training at all three levels of the Catechesis. She currently serves as a catechist for children at Verdant Pasture in Annunciation Parish in Evansville, IN and as a regional trainer for Level I. Katie has four atrium attending children, one atrium "graduate" and one pre-atrium baby.

Katie recommends that two or three people from a parish take the course together. Beginning an atrium is greatly facilitated if two or more trained people can discuss and execute the work together.
